**Pinot Noir**  
**Lemoravo Vineyard,**  
**Santa Lucia Highlands. 2022**

**93pts** VINOUS

“The 2022 Pinot Noir Lemoravo Vineyard is juicy, fresh and vibrant. Expressive floral tones create lift, but a depth of layered spicy red fruit and citrus makes this so succulent. A bit of grippy, dusty white pepper grabs your tongue on the close, but it has a light touch. The Lemoravo is a little subtler than the other Pinots in the Wrath lineup, and I like it for that.
